Friday, Dec. 21 — 12 Noon – 9 pm

Saturday, Dec. 22 — 12 Noon – 9 pm

Saturday, Dec. 15 — 12 Noon – 9 pm

NEWARK, NJ -- As the cold weather rolls in, our minds turn to gift giving, delicious food and family fun. That's why Gallery Aferro welcomes you to our annual art sale, open house, artisan market and potluck party. This year, we're extending the art sale and gift market to a whole 2 weeks! The festivities are FREE and all are welcome. Plus, proceeds from the sales of art and artisan items support Gallery Aferro's award-winning nonprofit art programs.

From Saturday, December 8th through Saturday, December 22nd, 73 Market Street becomes the gift market destination for anyone looking to deck the halls and share in the artisanal craftsmanship of Newark's creative community. Open late nights to help meet all your seasonal shopping needs. Gallery Aferro will make affordable art buying the easiest shopping experience you'll have all December.

Establish or enlarge an art collection for your friends, your family or yourself. We proudly offer art from a wide range of styles by an extraordinary array of talent -- local, national and international. From \$50-\$500, with limited edition prints, photographs, paintings, artist multiples, artist books, T-shirts, music, and more, you can take home something for everyone. The entire gallery will be decked in art -- all for sale, all for you.

And on December 15th, everyone is welcome to Aferro's one and only end-of-year open house and potluck party. While browsing our gallery walls, enjoy shopping the wares of local, diverse artisans and chowing down on the multi-ethnic cuisine. The day-long event will also feature \$5 family portraits, a 50/50 raffle, and a youth dance performance by Newark's own Clubhouse Recreation Center to keep our spirits bright.

If you've never been, join us!

If you've been coming every year and already have your recipe picked out for potluck, join us!

If you fall somewhere in between, join us!

Come out to nosh, browse and spend time with new friends, neighbors and strangers.
